The Banksia Village Charity Golf Day is a 9 hole Ambrose competition with teams of four. With an Ambrose event each player tees off then the captain decides which of the four balls is in the best position. Once this is selected, the other players pick up their ball and drop it within one club length of the selected ball. Each player then hits from that position. As each hole is completed, the team captain records the team score on the scorecard. As this is a team event individual scores are not recorded.
