## 8. PERFORMANCE MANAGEMENT

Performance management is a critical component in aligning individual performance and behavior with company goals and values. Performance management sessions allow a formal and objective opportunity to communicate on all matters relating to the position. This process provides the employee with feedback on individual performance and allows an opportunity to communicate directly with management.

See the performance management policy for further information on the objectives of performance management and the process that is followed.

### **Performance Measurement**

The following table lists the key areas of performance that will be assessed.

<b>Key Performance Area</b>	<b>Key Performance Indicator</b>	<b>Example</b>
1. Resident Care	1. Customer service  2. Internal customer service	Ability to politely, consistently and competently deal with clients and their families and/or representatives via telephone or in person.  The extent to which the employee performs care services within the scope of client care plans and the organisations policies and procedures.  Ability to maintain relationships at department and inter-department level and contribute to the smooth flow of information.
2. Workplace Relations	1. Team work	Ability to complete assigned tasks, liaise and work with others. Willingness to uphold teamwork and positive workplace relations.  Ability to take direction from the management team (in accordance with best practice clinical and client care).
3. Employee behaviour	1. Attendance and reliability	Extent to which the employee has maintained good attendance, been reliable and punctual.

	3. Company Values	Extent to which the employee has embraced and behaved in accordance with company values.
--	-------------------	--

**Assessment**

File notes will be recorded (for good and poor performance) throughout the assessment period and referred to when the formal assessment is completed. Only a member of management or HRO may complete a file note relating to this position.

Assessments will be conducted by the Lodge Management and will be reviewed by the HRO. The review meeting will be conducted in accordance with approved policy.

**Review Cycle**

Performance will be reviewed after an initial period of employment of 3 months, then at 12 month intervals.

**Self-Assessment**

Self-assessment will be requested if deemed required by management.

**9. REVIEW**

This job description is a working document and is subject to continual review. The employee will be involved in any review process and entitled to contribute to and/or question any proposed changes before implementation.
